[REGISTER FOR HABATALENT](#)

HABAWABA SPAIN RFEN 2019 - HABATALENT

Dear teams,

This year the HaBaWaBa Spain - RFEN comes with lots of new features: a day at the theme park: **PortAventura Park**, a new venue, more **animation activities**... But there's still something we haven't released yet.

In this year's second edition, the participants will have the chance to prove their talent inside... and out of the water! With the intention of creating a series of parallel activities beyond the competition, the **HaBaTalent** is born, a talent contest that will be part of the HaBaWaBa Spain 2019.

The little water polo players will be able to **dance, sing, tell jokes, do magic or show any other of their talents**.

**The organization reserves the right to amend these conditions depending on the amount of teams participating to the HaBaTalent and other circumstances that could alter the program.*

This is all you need to know:

WHEN? The talent show will start on **June 1** at night, coinciding with the arrival of the first teams, and will continue on the **2nd** and **3rd**. The auditions will start at **9:30pm**, right after dinner, and will last until **11/11:30pm**, depending on the number of teams that register.

WHERE? The HaBaTalent will take place in the **residence** where all the teams will be hosted (Complex Educatiu de Tarragona). Teams will perform on the stage located in front of the dining room.

RULES The rules are simple. Each team will have a **maximum of 5 minutes** to prove the jury that they are also the best out of the water. Every team can decide whether they want to register all the players or only a representation formed by a group of athletes.

The members of the jury will **grade the auditions from 1 to 10**. The final score will come out of an **arithmetic mean** of all the scores awarded by each member of the jury. The jury will be formed by staff members of the organization.

AWARDS The **top three teams** will be awarded and will also have the privilege to perform during the closing ceremony that will take place on the 4th. In addition, all participating teams will receive a gift.

REGISTRATION Participation in the HaBaTalent is totally free, voluntary and open to all teams. Every team can register with more than one group of players, even though they shall not exceed the 5 minutes given to every team. Teams can register using this [FORM](#) until June 30, 2019.
